New Dispensing Pump! Great for quarts & gallons of our glues & coatings!

The Gluefast Company is pleased to announce the release of our brand new Dispensing Pump. The Dispensing Pump fits all Gluefast quarts and gallons.

The Dispensing Pump is great for most Gluefast glues and coatings, and is able to release up to one ounce per pump. When not in use, a cap thoroughly seals the dispenser tip. The Dispenser Pump requires no maintenance for CR texture coating, and occasional cleanup for most other Gluefast glues or adhesives.

Customers can purchase one of our Dispenser Pumps for \$18. The Gluefast Company will offer a 30% discount if a customer purchases a Dispenser Pump with a glue or coating. This offer will run through October 31st, 2016.

For further information please contact Lester Mallet by phone or e-mail: lmallet@gluefast.com.
