GLUEFAST INTRODUCES THE SOLO GLUE RITER™!

The only glue bottle with precision control!

- Great for applying adhesive for matboard mounting, tipping and tabbing, case sealing, and spot gluing with water-based adhesive.
- The unique ball-and-spring valve with flat face allows for a 1/2" thin and uniform film of adhesive to be applied. For the first time you can get machine-applied control with a 10-ounce manual glue bottle!
- Gluefast includes a new formula water based Food Packaging Adhesive - MATHESIVE 101 - with the SOLO GLUE RITER. This adhesive is a safe, fast setting product.

The Gluefast Company has manufactured gluing equipment and adhesives for the packaging, converting, and graphics industries for more than 65 years! Gluefast can be found on the web at www.gluefast.com.

For further information please contact Lester Mallet by phone or e-mail: lmallet@gluefast.com. We would be happy to provide you with the above photo for your needs.
